

## German Steel Engineering

# Corn Teeth Acrylic Cut

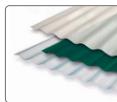

### | Features

- High-quality cutting performance.
- Easy cutting experience.
- Ensure high work efficiency.
- Sufficient bending strength and wear resistance.
- Recommended Application: Acrylic Cut, Fiberglass panel, Carbon fiberboard, Epoxy Board
- Material: Solid carbide.
- Available Up-Cut

### | Recommended Application

Plastic  
& Acrylic

Fiberglass  
panel

Carbon fiber  
board

Epoxy board

### | Specification

#### GSLD\_Standard Type

\*Unit : mm

Item Code	Item Model	Diameter(d)	Height(h)	Shank(D)	Length(L)
GS5111	GSLD 0.9	0.9	6.5	3.175mm (1/8 Inch)	38
