3M

ITEM CODE |
SA 9613
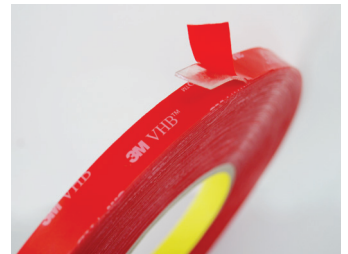

12mm x 16.5M
1.1mm THICK (16.5M/Roll)

PRODUCT FEATURE

· Clear material is ideal for joining transparent material
· 3M VHB Tape adhesive formula bonds and seals on contact with no drying time
· Virtually invisible fastening helps keep surfaces smooth, with no unsightly rivet heads or weld marks
· Spreads stress load across length of the joint
· High dynamic stress absorption reduces vibration and impact stress

APPLICATIONS

· Used when a clear or colourless tape is required, such as bonding transparent material
· Adheres well to aluminium composite panels, architectural facades, glass, signage,
  painted/sealed porous surfaces, rigid PVC and plasticised vinyls, acrylic
  and polycarbonate

SPECIFICATION

MODEL	3M VHB TAPE_4910	MODEL NUMBER	3M 4910
ITEM CODE	SA 9613	WIDTH	12mm
COLOUR	RED	LENGHT	16.5M
BACKING METERIAL	ACRYLIC FOAM	TAPE THICKNESS	1mm
